### VERSE ONE

I will go, where you want me to go  
I will live, how you want me to live  
I just want to follow you  
I'll do whatever you would have me do

I will say, what you want me to say  
I will love, how you would have loved  
I just want to follow you  
I'll do whatever you would have me do

### CHORUS

I surrender  
Jesus, I surrender  
You gave it all for me  
So I'll give you everything  
I surrender

### VERSE TWO

I will see, what you want me to see  
I will give, what you want me to give  
I just want to follow you  
Search my heart and make me more like  
You

### CHORUS

I surrender  
Jesus, I surrender  
You gave it all for me  
So I'll give you everything  
I surrender

### BRIDGE

You came to earth in search of me  
For I was lost but now I see  
You're worthy, you are worthy

A crown of thorns upon your head  
A perfect life yet blood was shed  
You're worthy, you are worthy

### CHORUS

I surrender  
Jesus, I surrender  
You gave it all for me  
So I'll give you everything  
You are my victory  
Jesus, I surrender
