

MYSTERY

WRITTEN BY METHVEN FORBES

Pre-verse

How high and how wide
How deep and how long
Is the love of the one
Sent from Heaven above
No depth can contain
No mind can conceive
The greatness of Christ
Now alive in our hearts

Verse One

Before the world began
His wisdom was at work
A mystery now unveiled
His plan revealed to all
That Jesus came to earth
To show the way
Will you listen to his voice?

Verse Two

He's calling out to all
His purpose is at work
New life he freely gives
For those who will believe
For Jesus came to earth

To show the way
Will you listen to his voice?

Chorus

Majesty I bow down
I surrender all to you
I turn my heart to you
There's no other, no other

Jesus I bow down
I surrender all to you
My heart belongs to you
There's no other, no other

Bridge

The cross has spoke
The cross has done it all
Oh Jesus saves
Our savour
Jesus makes a way x2
