

STORY

WRITTEN BY METHVEN FORBES

Verse One

This story has been told before
I know it all the same
Yet still it calls to me again
It's calling out my name

*"Do you hear me child, I'm here
You're safe within my arms
My heart is beating loud and clear
Are you hearing this at all"*

Pre-Chorus

I call to you
I sing to you
Hear me now
"Turn now to me
Stretch out your hands
Receive"

Chorus

Father you're amazing to me
Father you're amazing to me
Amazing that you gave all for me
Amazing that you love me at all

Verse Two

You're limitless in love for me
I see it everywhere
No reason can explain to me
The wonder of your care

*"I knew you in your darkest hour
I held you in my arms
There's nothing you can say or do
My love will always shine"*

Mid8 x2

Amazing grace
Amazing grace that saves
Amazing love
Amazing love for me

Pre-Chorus

Chorus
