VERSE ONE

Lord there is a place
Where you died for me
And on that cross you showed a love
For the world to see

All my guilt, all my shame
Forever washed away
By your death you gave me life
So my heart will sing

CHORUS

Oh what a love I've found
No limits to your mercy
There's no place you grace can't reach
Lord you know no boundaries
Oh what a love I've found

VERSE TWO

Lord there is a price
That you paid for me
It was your blood that broke my chains
And set me free

With every thorn with every nail
My every sinned erased
By your grave you made a way
For the victory

No limits to your mercy
There's no place you grace can't reach
Lord you know no boundaries
Oh what a love I've found

Hallelujah to Jesus
Hallelujah, all glory to you
Hallelujah to Jesus

Oh what a love I've found
