

WORDS

WRITTEN BY METHVEN FORBES

Verse One

May my words be clean
My thoughts be pure
And my heart be soft
May my life be yours
And all I do
Bring glory to you

Don't wanna live a life
Consumed by what
Others think I must do
The rat race I
Committed to
I now turn away

Pre-Chorus

For my steps now walk the path
My life now led by you

Chorus

Holy Spirit fall on me
Fill my life anew
Come manifest your power
Directing all I should do
You lead me to the cross
You show me the grace, the grace that has saved me

Inhabit me, for I was made for you
Come make your home, my heart belongs to you

Verse Two

Now I live my life
Conform my ways
I will follow you
Forever now
It's clear to me
The things I must do

To walk the path
and give you praise
And to honour you
May my life and
Everything I do
Bring glory to you

Pre-Chorus

Chorus

Bridge

So I say come, come, come and live in me and make
your home x2
So I say live, live in me for all to see your grace x2
Come, come and live in me and make your home x2

Chorus
